PRESIDENT'S MESSAGE

Dear SMU Community

My very warm wishes to you, I hope this email finds you well.

As Singapore progresses towards the new normal of Covid-19 resilience, here at SMU, we remain vigilant and committed to the safety and well-being of the SMU community. We have been monitoring the current situation closely, and following internal discussions with key offices at SMU, I am pleased to inform you that SMU will proceed to hold our in-person Commencement ceremonies for the Class of 2020 from 15 to 28 December 2021, and Class of 2021, from 7 to 19 January 2022.

The safety of our graduates and guests, as well as that of SMU staff and faculty involved in the graduation ceremonies remains our paramount concern and we will endeavour to hold the physical ceremonies in a controlled and safe manner, while providing this meaningful platform to mark an important milestone in our students' academic journey.

We look forward to celebrating this momentous occasion for SMU's Classes of 2020 and 2021 as OneSMU.

Warmest regards

Professor Lily Kong
President
Singapore Management University
